Are you someone who has a love of sport? Someone who actively wants to get the best out of children and inspire competition at all levels? Do you have the dedication, passion and belief that sport really matters for all?

If so, you may be the person for us. We are looking for a full time PE specialist, ideally with QTS, but we appreciate that great sports people can also make great teachers. You will work with all our children, developing their enjoyment of sport and their confidence to take part. Essential to the role would be the development of our teams' competitive edge and their participation in inter-school sport.

We have enviable facilities for sports on site, including 2 sports fields, sports hall and a swimming pool, and we have plans to improve and build on these facilities in the near future as part of a multi-million school improvement programme. We also have a strong swimming programme for all children from reception to Year 6.

We are committed to the safety of our pupils and all positions within the school are subject to a DBS check. Please ensure you read our **Safeguarding Policy**, which is available on our website, before applying.

Visits to the school are actively encouraged as part of our selection process, and give us the opportunity to meet each other. Applicants can visit us on Wednesday 23 May or Wednesday 06 June at 2.30pm.

However, if this is not convenient please contact the school office to arrange an alternative time.

Applications are available from the **school website only**. For additional information please contact the school on 01691 622 288

Closing date – Wednesday 06 June 2018
