Person Specification for the PE Specialist position at Ellesmere Primary School

This person specification is for the PE Specialist we require at our school. We are looking for those who inspire through sport and you should have all the following attributes:

- A healthy and active enjoyment of sport
- Rich and varied life experience
- An understanding and appreciation of winning and losing
- Humour and a flexible approach to working life
- The ability to make the most of every opportunity
- Dedication
- The ability to work hard when under pressure
- Commitment to teamwork
- A willingness to listen
- An aptitude to learn and motivation to go the extra mile
- An understanding of how to engage parents as partners
- **Commitment to ensuring children are safe and cared for at all times**

As a successful school we make sure that all the children in our care are safe and looked after to the best of our ability. **Our safeguarding policy is on the school website and all applicants should read this before applying.**

Job Description

Our job descriptions are tailored to the individual. However for this position you must have the following:

- An enthusiasm to engage in sport and competition in school time, after school and some weekends as required
- To make sport part of what we do, not a bolt on!
- To actively promote competition at all levels and make sure every child can achieve, regardless of ability
- Exceptional organisational skills
- An understanding of how to teach a range of sports well
- A clear and articulated understanding of PE progression for children aged 4–11 years
- A thorough understanding of signposting to encourage children to take part in sports clubs and opportunities outside school

As this is the first time we have advertised this position, applicants are encouraged to have an informal chat with the Headteacher before applying. We really want this position to be a fantastic addition to the school and one our parents and children will value highly.
