Friday 26th April 2018

Welcome back to the summer term, and the last term of primary school for your child. It is a term of transition, during which you will hopefully see your child develop and mature and be ready to make the leap to secondary school by July. It's a great term and we, as a team, are very much looking forward to the hard work, challenges and fun that we will have.

SATs week is the week beginning Monday 14th May. Post SATs is a lovely time of year for year 6 children, who have been working very hard to ensure that they achieve the best that they can in their assessments. Consistent high standards for behaviour, manners and respect will be expected at all times; we thank you in advance for your support with this.

Stalls week

As usual, year 6 pupils will be working in teams to plan, organise and take responsibility for running a stall for three days to raise money towards our trip and Prom. This year, stalls will be on Tuesday 12th – Thursday 14th June. More details will come closer to the time from your child.

Trip

We can confirm that we will be going on a trip after half term. We will be in contact with more details as soon as the date is confirmed.

Swimming and PE

PE days for both year 6 classes are on Friday, with swimming on a Thursday. All children who are able to be in school are expected to participate in both PE and swimming.

Therefore, all children need to have appropriate kit and understand that we have a no jewellery policy.

Homework

Homework, after SATs week, will be greatly reduced due to the fact that year 6 pupils have already completed more than was statutorily necessary throughout the year. They will have lines to learn for the year 6 play!

Water Bottles

Children are encouraged to have water bottles in class as it is good for them to keep hydrated throughout the day. However, they should only contain water: no juice please!

Class Dojos

We are continuing to use class dojos this term. Please use class dojo to contact teachers if there are messages that need to be passed on. We do encourage the children to be more independent now that they are in year 6, therefore they will be taking responsibility for passing messages to and from school as well.

Upcoming Events

We can confirm that we will be holding the Year 6 presentation evening and prom on Wednesday 18th July at 6pm. More details will follow after half term.

The year 6 production will be on Tuesday 17th July at 2pm and 6pm. We request that no children under school age attend the evening performance. A crèche will be available if required.

We are looking forward to an exciting end to this year and we look forward to celebrating the end of an era with your children.

Yours sincerely

The year 6 teaching team, Mrs Gathercole and Mrs Schwarz.
