A Message from the Headteacher

You should have all by now received your child's end of year report. We really appreciate everyone's patience and understanding with the delay in distributing them. It has been an opportunity for both teachers and pupils to reflect on the progress that has been made this year. We are incredibly proud of all the children this year. In addition a huge well done to all our year 6 children for their hard work which was reflected in the KS2 SATs results.

Transition day on Tuesday was enjoyed by children throughout the school when all classes met together for the first time. We are looking forward to them meeting again on our transition mornings next week.

School Uniform

Please ensure your child is wearing appropriate footwear to school. We have seen numerous children wearing brightly coloured trainers and socks. All children are expected to follow our school uniform policy and arrive at school wearing black school shoes.

Staff Development

Teachers enjoyed meeting new parents at our opening evening on Tuesday. It was a fantastic opportunity for parents to meet with their child's new class teacher and a great opportunity to discuss expectations for next year.

spelling bee

Congratulations to all that took part in the spelling bee.

The Year group winners were as follows:

Year 1: Ruby
Year 2: India
Year 3: Lillie-May
Year 4: Sophie
Year 5: Josh
Year 6: Charlotte

Thank you again to all children who entered, and a special thanks to Parents and supporters who have helped children learn their spellings to such a high standard.

We look forward to making this an annual event.

Miss Evans, Miss Massey and Mrs Mort

Achievements

Race for Life

A week on Friday (14th July) we have our Race for Life event. Children from across the school will be taking part in the event.

Our youngsters are the generation that could see ground-breaking treatments and cures for cancer in their lifetime. They are the rising stars that could be the researchers and lifesavers of tomorrow. By taking part in Race for Life and uniting against cancer, we will be doing something special. Any sponsorship forms and money need to be handed into class teachers by Monday 10th July. No matter how much we raise we will be helping to make a difference.

On the day we would love the children to come in their brightest and funkiest pink/blue outfits with appropriate footwear for running. Children need to bring their outfits with them to change into. Each year group has been given a time slot to complete their Race for Life:

Nursery and Reception 10:00-11:00

Year 3 and Year 4 11:00-12:00

Year 1 and Year 2 1:00-2:00

Year 5 and Year 6 2:00-3:00

We are also inviting you to either take part in our Race for Life or watch. One parent/carer can participate in the event with your child. So get dressed up in your brightest and craziest outfit and join your child. Family are welcome to come in during the hour slot and cheer the children on.

If you are planning on participating please can you let class teachers know by Monday.

Thank you for your support and we are really looking forward to the event.

Following her sponsored run at the Mere, Millie Humphreys (Sydney), proudly presents a cheque for the money she raised for the school - £1070. Well done Millie.

Congratulations to Josh Martin (Istanbul), who recently competed in 4 Gymnastics events: Bar, Parallel bars, Floor and Vault. He gained the highest score in his age group and came 1st in the boys' competition.

Well done to the KS1 Athletics Team who came 1st in the Inter-school Athletics competition held at Ellesmere Primary.
