A Message from the Deputy Headteacher

Another busy and exciting week and we are all looking forward to a half term break. This week our Year 5 and Year 6 children visited the theatre. As you know the trip was cut short due to a technical issue, however Theatre Severn will be refunding the cost of the tickets in due course. We appreciate your understanding with this matter. Thank you to all the children who have taken part in the Cross Country and Football competitions this week.

It has been a great half term with many activities taking place. We would like to thank you all for your continued support.

Wednesday 20 th	<i>Good to be Green</i>
Thursday 21 st	<i>Santa walk to school</i>

Ward-Hendry

The photographer will be in to take single photos and sibling photos on Monday 6th November.

Please ensure your children are dressed in full school uniform and looking smart, they can wear either the new uniform or the old uniform.

Staff Development

This week all teaching staff met to talk through the new assessment tracking system, Insight. We discussed year group expectations and how to track pupil's progress.

We talked through Performance Management and have set individual teacher targets linked to the School Development Plan.

For your information

We have been informed by Rev Phillip Gration that the funeral of Hannah Gration will take place next Friday 27th November. The funeral will be held at the Chapel at Ellesmere College. If you would like to pay your respects to the family and attend the service starts at 2pm

Good to be Green

It has been an eventful afternoon today in school, children enjoyed painting their pebbles and participating in other activities throughout the afternoon.

As mentioned previously, we would like the stones featured around the school grounds. We are hoping to have this completed in the near future.

Achievements

Well done to Ella McMullan (Istanbul) who recently completed the Scouse 5km Run in just 28 minutes!

Fundraising

It was great to see so many children dressed in red today to support the 'Wear Red Day' campaign. We are pleased to say we have raised near on £200, this will be donated to Show Racism the Red Card and will help facilitate the delivery of anti-racism education for young people and adults throughout the UK.

The car boot sale and beetle drive raised £437.66. Thank you to everyone who came and supported each event. We look forward to our next social event and hope it is another great success.

Achievements

Cross country

Well done to our cross country team that took part in the second School Games Cross Country event this evening. Again lots of brilliant results from the team with Lucy coming 5th in the year 3/4 girls, Ryan 8th in the year 3/4 boys and Zak 12th in the year 5/6 boys race. All races had over 100 children participating. All children improved results from the previous race, incredible results again Ellesmere!

An amazing run by Lucy in the Year 3/4 girls heat at cross country. 5th place out of nearly 100 girls!

Achievements

House sports

Well done to all of the children across school that took part in the first house sports event of the new academic year. For this event children played 7 a side football and had the opportunity to use the skills that they have been learning in PE lessons. It was great to see all children getting stuck in, having a go and working together as a team. House sports results will be announced in celebration assembly after half term. We are already looking forward to the next event.

Football

On Wednesday, our Lower Key Stage 2 football team took part in a competition at The Marches. The team have worked really hard over the past 6 weeks at team training and all children have been dedicated to the lunch time club. The team played well in the first round to allow them to progress from the group into the second round where we came 3rd overall in the group. There were lots of brilliant saves and goals by the team. Well done and I am looking forward to the next event where our other Year 3/4 team will play.
